ICGEA 8th 2024

CALL FOR PAPERS

2024 The 8th International Conference on Green Energy and Applications

With the success of the previous 7 year, ICGEA came to its 8th edition in 2024. It is proud to announce that 2024 The 8th International Conference on Green Energy and Applications will be held during March 14-16, 2024 in Singapore, which is sponsored by Singapore Institute of Electronics.

www.icgea.org

INVITED SPEAKERS RECRUITMENT

- ICGEA 2024 recruit all over the country and the globe for invited speakers in the Green Energy field.
- ICGEA 2024 will assign the selected presentations to relevant forums. Applicants are requested to send their resumes, academic achievements, speech title and abstract, and two-inch photo as attachments to icgea_secretary@163.com.
- Invited speakers are required to share best practices and research results, and are not allowed to promote any products or services during the speech.

PROCEEDINGS

Submitted papers will be qualified reviewed by Technical Program Committee. All accepted papers of ICGEA 2024 will be included in **IEEE Xplore**, indexed by **EI Compindex & Scopus**, etc.

*Proceedings of ICGEA 2017-2023 have already been included in IEEE Xplore, indexed by Scopus and EI Compindex!

SUBMISSION

Submission Deadline: February 1, 2024

1. Online Submission System:
<http://confsys.ieee.org/submission/icgea2024>
2. Send directly to: icgea_secretary@163.com

COMMITTEE

Advisory Chairs

Alberto Borghetti, IEEE Fellow, University of Bologna, Italy

Conference Chair

Siew Hwa Chan, Nanyang Technological University, Singapore

Conference Co-Chair

Yiyan Pei, Singapore Institute of Electronics, Singapore

Igor Kuzle, University of Zagreb, Croatia

Program Chairs

Igor Kuzle, University of Zagreb, Croatia

Deepak L. Waikar, EduEnergy Consultants LLP, Singapore

Local Chairs

Thaiyal Naayagi Ramasamy, Newcastle University, Singapore

Dhivya Sampath Kumar, National University of Singapore, Singapore

Publication Chair

Jasmine Zhou, Singapore Institute of Electronics, Singapore

Publicity Chairs

Viboon Sricharoenchaikul, Chulalongkorn University, Thailand

Weeratunge Malalasekera, Loughborough University, United Kingdom

TOPICS

Bioenergy supply management strategies
Energy and Health
FACTS and HVDC controllers
Geothermal energy
Green Buildings and Infrastructures
Green Energy Education and Training
Hybrid vehicles and its integration
Income generation with green energy
Low carbon city scenarios, plans and actions
Mainstreaming low-carbon innovations
Natural gas research and development
Rapid urbanization and
Renewable Energy for Power and Heat
Settlement forms and functions and energy
Solar thermal and photovoltaics
Sustainable materials for buildings
Wind energy
